Dear Parent/Guardian,

For your child to use certain programs we require your permission. Once we have your permission, we will begin to send passwords home. (There will not be new logins for most children, but rather a reminder in case they have forgotten). Most parents and carers have already consented to access information and to publish online through the Departments filtered web services when completing the school enrolment form.

We have attached at the bottom of this note the permission and a quick survey. We would appreciate if it could be filled in and returned.

Survey: (This is optional, but very much appreciated if completed).

At home, do you have (please circle yes or no):

A computer	yes/no	a printer	yes/no
Internet access	yes/no	Skoolbag app	yes/no
Tablet/ipad	yes/no	Smart phone	yes/no

Permission to access third party software

I give my permission for the school to access third party programs (eg. Reading Eggs, Mathletics, STARS) for my child's education. No information is shared with any other third party companies. Please contact the school if you have any further enquiries. **THIS PERMISSION IS VALID UNTIL WITHDRAWN**
